

Killer Climbs, Mini Cols and Molehills

The cols in the 3 tables below are all within riding distance of us here in Faucon and are all located in The Southern Drome and Vaucluse departments.

There are too many cols in this region to log them all but we'll try our best. The ones below are the best of the rest, the ones we ride on a regular basis.

Please note that the round trip to do the Signal de Lure is almost 200km. (yes we have done it) ----- Have fun!
